WONM20

Welcome to the Brochure for the 2023 Summit! Our summit is dedicated to empowering individuals and businesses to create a lasting impact in the realm of Humanitarian Health and Natural Medicine. With the objective of fostering positive change and growth, we offer a comprehensive program that will equip you with the knowledge and tools necessary to transform your business and professional life.

In Part 1 of the summit, you can look forward to a series of Professional Development Lectures, designed to provide you with valuable insights into the latest trends and strategies in your industry. These lectures will help you harness your resources and skills to make a significant positive difference in your image and to build new income streams. We will also be hosting the Kaqun Cellular Energetics Workshop, where you'll explore cutting-edge concepts in natural medicine and health, offering fresh perspectives on holistic well-being. To celebrate excellence in our field, the summit will culminate with an Award Ceremony to recognize outstanding achievements.

Part 2 of the summit, the Humanitarian Health and Civility Leadership Training, is designed to broaden your horizons and connect you with international markets. In this segment, we will focus on fostering leadership skills that are not only vital in business but also essential in creating a global impact through humanitarian health initiatives. You will learn to position your company or services as a global expert in your field, making a real difference in the world.

Join us in 2023 for an event that promises not only to enhance your professional capabilities but also to inspire you to contribute to the betterment of society. Be part of a community dedicated to making a positive impact through Humanitarian Health and Natural Medicine concepts. We look forward to welcoming you to this transformative summit!

PRESIDENT'S MESSAGE

Dear Esteemed Colleagues and Friends,

Greetings to all attendees of the 20th Annual Worldwide Organization of Natural Medicine (WONM) Conference!

As the President of WONM, I am truly honored to welcome each and every one of you to this milestone event. Over the course of two decades, our organization has embarked on a remarkable journey dedicated to advancing the field of natural medicine. It is with immense pride and gratitude that we gather here today to celebrate this significant achievement.

For twenty years, WONM has been at the forefront of promoting and nurturing the principles of natural medicine. Our commitment to excellence, innovation, and collaboration has fueled our growth and success. We have seen remarkable strides in research, patient care, and education, all of which have contributed to the betterment of healthcare on a global scale. This journey has been one of dedication, resilience, and unwavering passion for the principles we hold dear.

As we convene at this momentous event, I extend my warmest greetings to each participant. Your presence here reflects your dedication to advancing natural medicine and your commitment to shaping the future of healthcare. Throughout the duration of this conference, we will have the privilege of engaging with thought leaders, experts, and peers from various disciplines. The exchange of knowledge, insights, and experiences promises to be enriching and inspiring.

Let us use this occasion to not only reflect upon the remarkable journey we have undertaken but also to chart the path ahead. Our shared pursuit of excellence in natural medicine continues to guide us, and I have no doubt that the next twenty years will bring even greater accomplishments.

Thank you for being an integral part of WONM's story, and I look forward to the meaningful interactions, collaborations, and discoveries that this conference will undoubtedly bring.

Wishing you a rewarding and enlightening experience at the 20th Annual WONM Conference!

Warm regards,

Dr. Sheila McKenzie President,
World Organization of Natural Medicine

PART 1

Part 1: Humanitarian Health Lectures & Awards Ceremony

In the first segment of our summit, we have an array of enriching experiences awaiting you. Dr. Robert Lyons will take the stage to present "KAQUN and Cellular Energetics," delving deep into the profound impacts of KAQUN water therapy. This insightful presentation promises to illuminate the transformative potential of this groundbreaking approach to holistic well-being.

Moreover, our Humanitarian Health Lectures will be delivered by a distinguished lineup of speakers, including luminaries such as Dr. Gerald Smith, Dr. Stanley Ngui, Dr. George Grant, Dr. Sheila McKenzie, and Dr. John Hache.

These renowned experts will share their extensive knowledge and expertise, offering invaluable insights into the dynamic field of humanitarian health. Their lectures will provide you with a comprehensive understanding of the latest advancements and innovative strategies in this critical area.

As a special highlight, we will host an Award Ceremony that commemorates 20 years of remarkable achievements by WONM. This ceremony serves as a testament to the enduring commitment and dedication of our community in advancing the cause of humanitarian health and natural medicine.

Join us in celebrating two decades of impactful contributions, and let this inspire you as we embark on the next phase of our collective journey towards a healthier, more compassionate world.

PART 2

Part 2: Humanitarian Health Civility Leadership Training

Our second segment is dedicated to empowering you with valuable skills and knowledge in the field of Humanitarian Health and Natural Medicine through our specialized workshops.

Workshop 1, titled "Ancestral Health for Lasting Wellness," will be led by the esteemed Dame Dr. Sheila McKenzie. This workshop will delve into heritage-based strategies that are highly relevant to addressing modern health challenges. You will gain practical insights into how ancestral wisdom can be applied in contemporary contexts for improved well-being. Plus, by participating, you can earn 1 credit towards the HCC program, further enhancing your professional development.

In Workshop 2, "Communication Health" with Dr. Clyde Rivers, we will explore effective communication strategies that are pivotal for fostering a harmonious world. Effective communication is a cornerstone of humanitarian endeavors, and this workshop will equip you with the tools and techniques necessary to excel in this crucial aspect of your work. Like Workshop 1, participation in this session will also earn you 1 credit towards the HCC program.
